Hi Ann: can you change "4" to "5" in 4 places under Pulsenet lab contractual. Thanks, Linda

F. Contractual - \$5,000

Annual maintenance for 5 CHEF PFGE mappers – equipment used daily for Pulse Net activities.

Name of contractor: Bio-Rad Corporation, Hercules, CA

Method of selection: The purchase of the PFGE laboratory equipment was competitively procured in previous cooperative agreement years.

The manufacture of this DNA fingerprinting equipment is the only source of maintenance.

Period of performance: January 1, 2008 – December 31, 2008 (one year).

Scope of Work: Inspection of equipment, determine failure, repair

Method of Accountability: Contractor will work at the direction of the laboratory supervisor

Budget: \$5,000 (5 machines @\$1,000 ea.)

Looks good, but under PulseNet Lab we have 5 Mappers that need service contracts, not 4.

Attached are drafts of ELC budget request. Please look for any omission – and let me know (there were hundreds of emails and I want to make sure I included everything). I will work on format and rechecking numbers.

Let me know if you have any questions, or want to add or delete.

Thanks so much for all your help

Ann

Dina,

I think your contract requests need titles.
